

BUCKINGHAM PEDIATRICS, P.C.

ADVANCED NOTICE OF CANCELLATION

In order to better accommodate our patient's needs, Buckingham Pediatrics requests a 24 hour notice of cancellation. Failing to notify our office at least 24 hours in advance will result in a charge of \$50.00

If we are aware of cancellations 24 hours in advance, we will normally be able to accommodate other patients, otherwise this time will go unfilled.

Thank you in advance for your understanding and cooperation in this matter.
